Digital SMME, Corporate and G2P Solutions

- **EOBI Pension Wallets**

Bank Alfalah has partnered with Employee Old Age Benefits Institution (EOBI) for the disbursement of employees' contributions and pensions in Pakistan. The pension disbursement process has been designed to make it completely digital through the use of branchless banking mobile wallets, which eliminates the use of physical dealing of cash at the time of pension disbursements. The wallet caters to a wide base of 390,000+ pensioners, and 98,000 contributing employers.

- **Payroll Wallets**

Bank Alfalah pitches its digital payroll carded wallets to employers in Pakistan encouraging salary payments of their non-management staff through digital means. Monthly salaries are disbursed into the wallets directly, whereby customers are able to withdraw their salaries through ATM debit cards

AlfaMall

AlfaMall is first of its kind platform by a bank in Pakistan. It is Bank Alfalah's digital platform that connects customers with merchants for online shopping. Alfa, our mobile platform, has always been the pivot on which Bank Alfalah has been building its innovations such as manage savings, tracking expenses, pay bills, along with other banking services.

Following on these successes, AlfaMall is a complete online shopping solution that enables Bank Alfalah customers to use their accounts, wallets, credit cards or Orbit points to securely pay for their shopping for thousands of products/services available at the best prices with the quality of services.

This platform also provides access to merchants to sell their products and/or services online through the platform.

Some of the reasons to shop on Alfa Mall:

- Shop with Trust - The best in class customer experience and service
- One Stop Shop - We provide current Alfa App and BAFI customers with a single outlet for their major shopping needs
- Massive Category and Product Range - Every category provides a huge range of products to cater to your every need
- 100% Verified Partners (Merchants) - Reputed and credible partners are on-boarded for the products offered
- Personalisation and Value-Added Services - Discover the best products and deals customised to your interests and needs
- Escrow Service - Confirmed payments from customers that are only transferred to merchants after they deliver products to customers
- Customer Financing - Instantly Buy Now and Easily Pay Later on thousands of products

The objective of this document is to set out overall TAT of AlfaMall customer related transactions, which provide basis for measuring level of responsiveness with respect to customer services and also a tool to gauge the efficiency of the existing processes.
