## 3. What are the limits for online/e-commerce transactions?

Below limits are applicable for online/e-commerce transactions using your Alfalah Debit Card.

Transaction Type	Limits
No. of Transactions Per Day	10
Volume Per Day	BDT 100,000

## 4. Can I conduct online/e-commerce transactions with my old non-EMV (magnetic stripe) Debit Card?

**No.**

For your security, e-commerce transactions are not enabled in non-EMV (magnetic stripe) debit cards. You will have to replace your non-EMV (magnetic stripe) debit card to our new EMV chip based card to avail e-commerce transaction feature. For information on how to replace your old card, please call our 24/7 phone banking service @ 16515.

## 5. Can I transfer funds to my bKash/Nogod wallet using my Alfalah Debit Card?

**Yes.**

Just select add money from card option to transfer funds from your Alfalah Debit Card to your bKash/Nogod account.

## 6. Is performing online transaction safe/secure?

**Yes.**

e-commerce transactions use Two Factor Authentication (2FA) technique where an OTP is sent to your registered mobile number making it more secure than traditional POS transactions.
