As part of our commitment to remain on the cutting edge of banking technology, we are excited to announce that we have enabled utility bills payment in Alfalah Internet Banking. With this feature, you can now pay your utility bills instantly from Alfalah Internet Banking.

STEP BY STEP GUIDELINE FOR UTILITY BILLS PAYMENT

At first, you need to add a beneficiary to pay your utility bills. Simply follow the below steps to add your beneficiary:

1. Click on "Payee Management" and then click "Payee Set Up".
2. Select Titas Bills Pay or DPDC Bills Pay from the drop-down list.
3. Enter relevant details and click "Add Beneficiary".
4. Confirm beneficiary by clicking "Proceed" button. One Time Password will be generated. First part of the password will be sent on registered email address and second part on registered mobile number.
5. Enter one-time password in the password field and click "Continue".
6. Beneficiary has been added successfully.

Once the beneficiary has been added, follow these simple steps to pay your utility bills.

1. Go to "Utility Bills".
2. Click "Titas Bill" or "DPDC Bill".
3. Select Your Account from the drop-down list.
4. Select Beneficiary/Customer Code from the drop-down list.
5. Enter relevant details, select the billing month/year and click "Find Bill Information".
6. Check the bill information and click "Bill Payment".

You're done!

As always, if you have further questions, please do not hesitate to contact us at your convenience.
